*Faith Formation Corner*  
**Peace, Deacon Bill Kessler**

Christmas, the time when The Son of God became man so we might have everlasting life. Years ago, I heard this meditation on the radio . . . it is titled *Keeping Christmas* by Henry VanDyke. Rev Van Dyke was active from 1852-1933. Please take a moment and read and reflect on this timeless gem:

*It is a good thing to observe Christmas day. The mere marking of times and seasons, when men agree to stop work and make merry together, is a wise and wholesome custom. It helps one to feel the supremacy of the common life over the individual life. It reminds a man to set his own little watch, now and then, by the great clock of humanity which runs on sun time.*

*But there is a better thing than the observance of Christmas day, and that is, keeping Christmas.*

*Are you willing to forget what you have done for other people, and to remember what other people have done for you; to ignore what the world owes you, and to think what you owe the world; to put your rights in the background, and your duties in the middle distance, and your chances to do a little more than your duty in the foreground; to see that your fellow-men are just as real as you are, and try to look behind their faces to their hearts, hungry for joy; to own that probably the only good reason for your existence is not what you are going to get out of life, but what you are going to give to life; to close your book of complaints against the management of the universe, and look around you for a place where you can sow a few seeds of happiness--are you willing to do these things even for a day? Then you can keep Christmas.*

*Are you willing to stoop down and consider the needs and the desires of little children; to remember the weakness and loneliness of people who are growing old; to stop asking how much your friends love you, and ask yourself whether you love them enough; to bear in mind the things that other people have to bear on their hearts; to try to understand what those who live in the same house with you really want, without waiting for them to tell you; to trim your lamp so that it will give more light and less smoke, and to carry it in front so that your shadow will fall behind you; to make a grave for your ugly thoughts, and a garden for your kindly feelings, with the gate open--are you willing to do these things even for a day? Then you can keep Christmas.*

*Are you willing to believe that love is the strongest thing in the world--stronger than hate, stronger than evil, stronger than death--and that the blessed life which began in Bethlehem nineteen hundred years ago is the image and brightness of the Eternal Love? Then you can keep Christmas.*

*And if you keep it for a day, why not always? But you can never keep it alone.*

**O Come Let Us Adore Him, Christ The Lord . . .**

**Join us for our next Women's Group Meeting on Wednesday, January 10th at 9 a.m. in the Community Center.**

## St. Ambrose Parish & School Wish List

At St. Ambrose, we are blessed to be financially stable, with parishioners and friends of the parish that continue to generously give of their time, talent, and treasure. Despite this stability, year in and year out our parish and school face increasing expenses and financial challenges, while continuously striving to improve in the many ministries for our parish and school families. Typically, our annual budget is very conservative, and it is only through the generosity of so many that we continue to stay financially stable and will remain viable for the future. This new area of the bulletin is here to provide parishioners and friends of the parish our current needs and estimated expenses. These are expenses that St. Ambrose will have to absorb and any support for these costs is greatly appreciated.

### Wish List Items

School Office ☎ 618-466-4216

## HELLO ST. AMBROSE COMMUNITY!

**Merry Christmas to All** | From all the faculty, staff, and students at St. Ambrose Catholic School, we wish all of you a very Merry Christmas and a Happy New Year!

### Thank You To Generous Donors To St. Ambrose Catholic School

Recently, our Parish and School has continued to receive blessings and generosity from supporters of St. Ambrose. Recent support has provided for the following:

- completion of door and camera projects in the school
- Giving Tuesday donations for a new English-Language Arts curriculum to be implemented next school year.
- a new AC system for our faculty lounge
- funding to replace worn carpeting in some of the 1st-4th grade wing of the school

Thank you to all for your continued support!

**St. Ambrose Students Perform at Christmas Program** | Last week our students presented the annual Christmas program. Thank you to all that participated and thank you to Mrs. Preston for her continued presentation of the program!

### St. Ambrose Catholic School Excels on Recent MAP Testing

Individual results for our recent Fall MAP were sent home. Group results and summaries were posted to the school website. As a whole, our students performed very well on all 4 areas assessed (Reading, Math, Science, & Language). Most importantly, we were able to bridge the gap in Math that had existed in past years. Combined with a more focused effort, our new Math curriculum is proving to be successful as we are well into our second year of implementation.

**Christmas Feast Hosted By SAPA** | Again this year, SAPA hosted a Christmas feast with a special meal for our students. The feast was hosted on Wednesday Dec. 20. The students enjoyed the meal, thank you all that coordinated and volunteered at the lunch.
