Dear Parishioners and Friends of St. Ambrose Parish Family,

As we begin our journey into Lent, **Catechumens** throughout the world begin their final sprint to the Easter sacraments. This weekend, they will be presented to Bishops and officially called to the sacraments of Baptism, Confirmation and Eucharist at the Easter Vigil. They will no longer be called Catechumens, but the **ELECT**. During Lent, we journey together: as they prepare for baptism, we renew our commitment to baptism.

Throughout Lent, our Elect will celebrate different rituals in preparation for Easter Vigil. We will pray with and for them, as we apply these rituals to our own lives as baptized Christians.

You are invited to pray the **Evening Prayer** of the Church in common at **4:00 p.m.** on the **Sundays of Lent**. This brief prayer of the Church helps us slow down and focus our attention on our relationship with God ... the primary purpose of the Lord's Day.

May God bless you during this sacred season of Lent.

## Sunday's Readings

### First Reading:

God said to Noah and to his sons with him:  
"See, I am now establishing my covenant with you  
and your descendants after you  
and with every living creature that was with you."  
(Gn 9:8-10)

### Psalm:

Your ways, O Lord, are love and truth to those who  
keep your covenant. (Ps 25)

### Second Reading:

It is not a removal of dirt from the body  
but an appeal to God for a clear conscience,  
through the resurrection of Jesus Christ. (1 Pt 3:21)

### Gospel:

He was among wild beasts,  
and the angels ministered to him. (Mk 1:13)

The Eucharistic Miracle at Legnica, Poland:  
*A Bleeding Host*

On Christmas Day 2013, at the Church of Saint Hyacinth in Legnica, Poland, a consecrated host fell on the floor. The host was put into a container with water so that it would dissolve. Instead, it formed red stains.

Learn more about this Eucharistic Miracle, and many others, by visiting our poster library in the front vestibule of the church.

We also highlight a different miracle each month on our website.

# ST. AMBROSE CATHOLIC SCHOOL

2023-2024 SCHOOL YEAR

[www.stambrosegodfrey.org](http://www.stambrosegodfrey.org) | School Office ☎ 618-466-4216

## HELLO ST. AMBROSE COMMUNITY!

**Why St. Ambrose?** The question is often brought up, “*why should I be a part of St. Ambrose?*” The reasons to be a part of our church are many, just ask our Parishioners and they will be happy to tell you. Why be a part of St. Ambrose School? The reasons to be a part of our school are many as well. Four essential and the most important include:

- ▶ Numerous opportunities for spiritual growth during the school year.
- ▶ Strong academics (see MAP Test scores, NHS Inductions at local high schools, and our graduates success once they are out of school).
- ▶ Our strong school community of students, parents, faculty, staff, and parishioners.
- ▶ Improvements in safety and security - anticipated by the start of the 2024-2025 school year we will have implemented over \$200,000 in improvements in the last few years, including (door replacements, camera network, safety film on windows, intercom systems, and more).

**ACRE Testing Coming Soon** | The ACRE (Assessment of Catholic Religious Education) test will be administered in February to 5th and 8th grade students. The test will be given the week of Feb. 19.

**Registration & Tuition** | Registration for the 2024-2025 school year will open March 1. Shortly before the opening of registration, tuition information and other important updates for the 2024-2025 school year will be shared. Tuition will increase, with our Finance Council deciding the exact increase. This increase is a necessity due to continuing increases in personnel costs and increases in costs of other expenses (utilities, curriculum, safety and security, and more). The costs to operate a quality school, along with a slight downturn in enrollment and the struggles with volunteerism and fundraising continue to necessitate a tuition increase. Additionally, Catholic schools in the Alton Deanery have prioritized collaboration with the other schools. Consistent tuition, sharing resources, and providing support to one another between the neighboring schools is one of the many goals of the collaboration. Tuition increases are not pleasant and the increases will never cover all costs to operate our school, but they are a necessity as our Parish does not have an infinite amount of money and cannot continue to subsidize the school at the rate it has done for the last few years.

**Catholic Schools Week A Success** | Thank you to the CSW planning committee for making this year's CSW a success! A special thank you to Kim Wackerly, for leading the committee and helping coordinate the different events. Thank you to other committee members, including Stephanie King, Chris Bachman, and Marcy Fessler.

**Stations of the Cross during Lent** | During Lent, Stations of the Cross will be presented in the Church on Fridays at 2:00. Living Stations of the Cross will be presented by the 8th grade during Holy Week on Tuesday, March 26.

**Science Fair** | Our 2023-2024 Science Fair was an amazing display of wonderful projects and informative science. Thank you to Ms. Deb Freeman (middle school science) for leading the students and for developing an organized and sequential process for the students to accomplish their projects. This was a great opportunity for our students to complete a detailed and multi-step project and also display and present their work for parents and judges to view. Congratulations to those recognized for outstanding achievement.

**English Language Arts Curriculum Adoption** | The ELA curriculum adoption committee will be having a meeting in the next week or two and will begin the process to select a new program for the 2024-2025 school year.

**National Catholic Presenter, Jason Evert, to speak to 7th and 8th grade students from our local Catholic Schools** | On Tuesday, March 5th, 7th and 8th grade students from St. Ambrose and other local Catholic elementary schools will head to St. Mary's middle school in Alton to hear a nationally renowned speaker. Parents that attended his presentation last year, spoke highly of the messaging and delivery. This presentation is endorsed by our local Catholic leadership. In his seminar, which has been delivered to more than one million teens on six continents, Jason Evert reveals the compelling vision of God's plan for human sexuality and presents an uplifting case for practicing the virtue of chastity. By addressing the issues that teens struggle with most, such as sexual pressure, pornography, modesty, and starting over, Jason offers encouragement for teens to maintain their purity or begin again if they've made mistakes in the past. The night before, on March 4, there will be a parent/student presentation that is a ticketed event (*please see the attached flier*). The ideal format is for the parents and students to attend the evening before and then the group of middle school students attend together with a session focused entirely on their age group. The time of the school presentation on March 5 is still in discussion and will be communicated asap. The students will be transported by bus to St. Mary's and permission slips will be sent home. Parents may opt their students out and they will be supervised at school. Please let us know if you have any questions.

**10 St. Ambrose 8th Graders to Participate in Model UN** | On Monday, Feb. 26 and Tuesday, Feb. 27, ten of our 8th grade students will participate in the Model UN conference at SIUE. Schools from around the area will participate.

**Chess Club Update** | This year, we have approximately 25 students in Chess Club. The competitive team is now 2-1-1. The Alton Deanery competitive league added 3 teams this year. We even have "friendly" matches scheduled with Alton Middle School.

**5-8 Grade Monthly Talks** | This past week, we hosted the first of what will become a monthly event. We spent 20 minutes talking with the students about important topics, especially things like avoiding issues that cannot be joked about or made "light of," including threats to others or one's self, racially derogatory terminology, sexual harassment, and more. We also reminded them to share with parents and adults at school when matters of concern arise. We also reminded them of the available anonymous reporting tool on our school website. The next talk will be Feb. 21. We will share talking points with parents, so the topics can be discussed at home.

**Congratulations to Carolyn Klasner on winning the \$10,000 Cash Bash Raffle!**

**Thank you to everyone that participated and to SAPA for hosting the virtual event!**
